## Update

### What's going on with our strategic plan and related projects?

As we work diligently to focus and expand our ministries, members are encouraged to read the end-of-year **strategic plan** report that summarizes the plan's goals and action steps. This report was summarized at the Jan. 11 Congregation Council meeting and was also on the agenda for the Jan. 24 annual meeting.

The document is available on our website. Alternatively, hard copies are available at the church office.

Regarding the plan's **facility updates, improvements, and capital projects** discussed at our well-attended Nov. 1 forum, here's the latest: We have received responses from architects to assist us in planning for future projects.

**NOTE: No final decisions have been made about any projects.** (However, authorization has been given to finalize designs for parking lot work and steeple replacement). Instead, we will form teams in the near future to discuss our options and interests.

We will continue to update the congregation as our work progresses.

## Kyrie eleison: What is it?

*Surely goodness and mercy shall follow me all the days of my life,  
and I shall dwell in the house of the LORD my whole life long.*

Psalm 23.6

Kyrie eleison (kee-ree-eh ay-lay-ee-sohn). This ancient chant has been a part of the church's life from its inception. It's a Latin transliteration from the Greek for "Lord have mercy." Its use in worship actually predates the church; long before, the psalmists called on God for mercy in their songs of prayer.

You might say it's in our very nature to cry out to God, "Lord have mercy." It recognizes both our need for mercy as well as offering an act of faith to the God who gives such mercy and love to us. We need mercy because we fail. Sin has separated us from God and neighbor. Our relationships are strained, the world is a mess, external forces, be they medical, economic or political, seem out of our control. Have mercy! And who can give us comfort in such a world as this? The Lord of heaven and earth! He listens to our cries and offers us hope. We are not alone. We are not adrift. God is here. We can rely on him for all our needs.

When we sing "Kyrie eleison" we join our voices with a church through the ages that has sought consolation from a God who does not stand on the sidelines of our life but offers his Son for the salvation of all.

This Lent, let your song be "Lord have mercy, Christ have mercy, Lord have mercy!"

*Blessed be the God and Father of our Lord Jesus Christ!*

*By his great mercy he has given us a new birth into a living hope through the resurrection of Jesus Christ from the dead.*

1 Peter 1.3

The Rev. Dr. Jack Horner

## Donations of knitted items help many in need

Thank you, Trinity, for generously donating 162 hats, 105 scarves, and 77 pairs of gloves for Women of Trinity's Special Concerns Committee to give to homeless/displaced children in the Harrisburg School District, as well as to others.

Committee members Pat Eby and Beth Shunk gave sets of the knitted items to 40 children in grades 1-5 at a December holiday party hosted by a local business. In addition to being delighted by the Trinity gifts, the children bowled, ate pizza, participated in crafts, chose free books, and received a carryall bag from Santa with toys and a blanket.

With as many as 400 homeless/displaced children, the district makes sure that younger students each get to a party like that in which Trinity participated. Unfortunately, there are no such parties for the district's middle school children. Accordingly, many of the larger-size donations were distributed to those children. The rest were donated to Domestic Violence Services of Cumberland and Perry Counties.

*WOT's Special Concerns Committee is also responsible for Blanket Sunday and the collection/processing of Campbell's Soup labels. Well done, WOT!*

## Letters of thanks

To the ministers and many friends I have at Trinity,

Thank you so much for all your visits and thoughts and prayers as I spent an extended stay in the hospital and acute rehab. I am continuing my therapy. I hope things progress so that I can become active again. – **Darlene Hess**

Dear friends of Trinity,

After several weeks in hospital and rehab, I am now recovering at home. Many thanks for the flowers from the altar after a Sunday sermon; they were beautiful. All the get well cards and visit from the pastors and friends were appreciated. I also appreciate the many prayers that helped in my recovery. Thanks for being such a caring church family. Love and God bless. – **Peggy Hofer**

May we long for it, for we know that nothing will nurture life like the way of righteousness. We also pray for people who have lost loved ones, and for people who need help to recover from devastation in all parts of the world.
