Candlelight Vespers for Holy Week

Concert Choir and Instrumentalists

The service of light is a dramatic portrayal of creation, when in the darkness God said, “Let there be light,” and of the new creation, when from the darkness of death, God called forth His Son. The darkness of chaos, fear and defeat, while strong and ever-threatening, is driven back by the coming of the light. The lighting of the candles is a re-enactment of creation and also of the resurrection.
